

BIO

The Harry Rios band is a premier high energy Latin musical powerhouse comprised of the best Latin musicians in Central Florida. Each member of the band has been carefully selected not only on the merit of their high quality performance but also their ability to engage an audience to give you an unforgettable experience you will be talking about to your friends for years to come. This fine-tuned, well-oiled engine of a band includes top quality performers who have cumulative years of experience touring the United

States and other countries, using their talents to captivate audiences around the world. First rate professionalism is the cornerstone on which the band is built. You will always see punctual, well dressed, prepared and smiling faces engaging you during a performance. The Harry Rios band specializes in Latin Jazz, New Orleans Jazz, & Jazz standards. Each performance is designed to make to the music flow effortlessly, taking you on an historic musical journey throughout different eras, cultures and rhythms. So sit back, relax and let the music fill your soul.
